

# A COACHING EXPERIENCE OF A LIFETIME

**BE PART OF THE COACHING TEAM ON THIS AMAZING TOUR  
JOIN LOTE TUQIRI AND AN ARU DEVELOPMENT OFFICER AND  
TAKE YOUR COACHING TO THE NEXT LEVEL**

## UTILISE YOUR COACHING SKILLS

Utilise your coaching skills to work with kids in this amazing country. Develop their interest in Rugby whilst refreshing your own coaching qualifications with an ARU Development Officer joining you on tour.

The purpose of this tour is to assist a developing country and their community through rugby. Not only will you provide valued hands on coaching and kids development but we will also raise funds to assist the schools and each community with much needed supplies and equipment. Add to this the opportunity to go on safari and witness the magnificent Victoria Falls, it will truly be a rugby tour that you will never forget. And all this is tied in prior to the start of the junior rugby season to ensure you are back ready to provide your own junior team with the knowledge and experience you have gained on tour.
